Research Practicum

Week Seven

Miriam Golden

23 February 2021

1. Using RMarkdown

   - For guidance, see: https://bookdown.org/yihui/rmarkdown-cookbook/
   - some sample documents:
     - https://egap.github.io/learningdays-guide/
     - admin/EGAP/learningdays-guide-master/Guide/EGAP-learningdays-guide.Rmd
     - research/incumbency_project/lab_notebooks/20181207_report_files/20181207_report.Rmd
     - research/incumbency_project/data/us_state_warwick/instructions/us_data_collection_instructions.Rmd

2. RMarkdown and .bib files

   - research/covid19_crowdsourced/2_design_memos/1_overall_design/20200812_Miriam_memo_1/design.Rmd
   - research/incumbency_project/papers/us_states_reelection/us_states_reelection.Rmd

3. Integrating Git, R, and RMarkdown

   - https://happygitwithr.com/

4. Programming in Qualtrics

   - https://login.qualtrics.com/login?lang=en
   - For programming guidance, go to: https://www.qualtrics.com/support/survey-platform/survey-module/survey-module-overview/

5. Field work ethics and safety

   - Review the EUI document on risk

6. IRB forms (UCLA example) compared with EUI Ethics Checklist

   - https://webirb.research.ucla.edu/WEBIRB/Rooms/DisplayPages/LayoutInitial?Container=com.webridge.entity.Entity%5BOID%5BAC482809EC03C442A46F2C8EEC4D75D3%5D]
